## SUMMARY

Front-end developer with knowledge of HTML, CSS, JavaScript, and React. Ambitious, highly responsible, punctual, and goal-oriented, always ready to learn and gain new experiences, person. Friendly team player. I am a fast learner and always up for a new challenge. Development, practice, and work for the result are important for me.

## PROJECT EXPERIENCE

[Portfolio](#), [GitHub-repository](#) [HTML5, CSS3, JavaScript, Vite]  
The website showcases a portfolio of a full-stack developer.
